Bullet Train Nov 11 2019 A dark, satirical thriller by the bestselling Japanese author, following the perilous train ride of five highly motivated assassins—soon to be a major film from Sony starring Brad Pitt, Joey King, Aaron Taylor-Johnson, Brian Tyree Henry, Andrew Koji, Hiroyuki Sanada, Michael Shannon, and Benito A Martínez Ocasio, and more Satoshi—The Prince—looks like an innocent schoolboy but is really a stylish and devious assassin. Risk fuels him, as does a good philosophical debate, such as questioning: Is killing really wrong? Kimura's young son is in a coma thanks to The Prince, and Kimura has tracked him onto a bullet train heading from Tokyo to Morioka to exact his revenge. But Kimura soon discovers that they are not the only dangerous passengers on board. Nanao, also nicknamed Ladybug, the self-proclaimed "unluckiest assassin in the world," is put on the bullet train by his boss, a mysterious young woman called Maria, to steal a suitcase full of money and get off at the first stop. The lethal duo of Tangerine and Lemon are also traveling to Morioka, and the suitcase leads others to show their hands. Why are they all on the same train, and who will make it off alive? A bestseller in Japan, *Bullet Train* is an original and propulsive thriller that fizzes with incredible energy as its complex net of double-crosses and twists unwinds up to the last station.

How to Hit the Ground Running Apr 09 2022 The quick-start program described in this book is designed for the new rector or pastor who wants to "hit the ground running." It is also designed for principal lay leaders who will be instrumental in the transition to new leadership. The program takes the new pastor, vestry, or other leadership bodies from one month prior to the new leader's arrival through the first eighteen months afterward. Organized in a user-friendly workbook format, this guide gives step-by-step suggestions on how the sometimes stalled and directionless period of transition in a faith community can be made dynamic and purposeful - a time of true congregational development.

Golf Dec 17 2022 "If you watch a game, it's fun. If you play it, it's recreation. If you work at it, it's golf." --Bob Hope This is an easy to read and understand instructional book to help adult players sharpen their skills. Although most golfers never improve once they reach adulthood, author Bill Kroen wants to help those golfers get past that and take their game to a new level. Readers will learn how to really learn the game (not just how to swing), they'll gain a greater sense of awareness of the total golf experience, and they will finally learn how to take their practice game to the golf course. Drawing on his background in psychology, Kroen directs his readers to envision the results they want. Then they can put what they read into practice without the confusion caused by most instructional books. *Golf: How Good Do You Want to Be?* offers a blueprint for resourceful practice and practical application with chapters including "The Mental Connection," "The Art of Practice," "Thinking Your Way Around the Course," and "Scoring Well."

Teeth Are Not for Biting May 10 2022 "Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts." Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling *Hands Are Not for Hitting Board Book*, *Teeth Are Not for Biting* gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they're hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

No Hitting! Jan 18 2023 With the help of this book, toddlers will love learning to say NO to hitting—and screaming and squeezing and yelling—and YES to fun! Refreshingly honest and all too true, this funny book is perfect for toddlers, and parents will find it a painless way to steer their little ones toward, shall we say, more acceptable behavior!

Once I Was Very Very Scared Feb 24 2021 A little squirrel announces that he was once very, very, scared and finds out that he is not alone. Lots of little animals went through scary experiences, but they react in different ways. Turtle hides and gets a tummy ache, monkey clings, dog barks, and elephant doesn't like to talk about it. They need help, and they get help from grown-ups who help them feel safe and learn ways to cope with difficult feelings. This story was written to help children and grown-ups understand how stress can affect children and ways to help them.

The Best of Boards Apr 16 2020 Nonprofit organizations' boards are justifiably passionate about their

causes and eager to help their organizations. However, in today's increasingly regulated climate, board members, who come from diverse backgrounds and may have little financial expertise, can feel overwhelmed by the regulations that are their duty to follow. *The Best of Boards: Sound Governance and Leadership for Nonprofit Organizations* provides not-for-profit board members and financial managers with the essential fiduciary knowledge and indispensable leadership guidance that they need to meet the challenges of the current not-for-profit environment. This book contains: Financial and ethical guidance for real-life situations Practical leadership advice for novice and experienced board members Assistance for not-for-profit managers tasked with governance challenges Tools, checklists, and templates based on common sense management techniques This publication will build ethically sound management knowledge in not-for-profit board members so that they can ensure the compliance and, ultimately, the success of their organization.

Swahili Oct 11 2019 *Swahili Tales of Crowich Forest* By: Vinod Nair Swahili is a mutant toad who lives in Crowich Forest. The forest is the site of a reactor used to create mutants by a crazy scientist. The government takes it over only to enforce its harsh rules on the mutants. Swahili grows up to be a crime investigator and goes around looking for his missing friend, Achillus, who is out to investigate drug rings around the world. Swahili discovers these rings around the world and puts an end to them. He also fights a crime lord Vulpecula, who is a mutant vulture and operates from Dumbo in New York City. The county is rife with misdemeanors committed by county officials and police personnel. Swahili eventually vanquishes Vulpecula and the government leaves Crowich. A new government sets in. The story revolves around the apathy of the county government leading to widespread misdemeanors and oppression by county administrative and police officials. The book is a tale of oppression, heroism and victory.

Feet Are Not for Kicking Mar 28 2021 "Look at those feet! Aren't they sweet?" Yes—when they're walking, standing, leaping and landing. And when they're kicking balls or leaves. But not when they're kicking people! In simple words and charming full-color illustrations, this book helps little ones learn to use their feet for fun, not in anger or frustration. It also includes tips for parents and caregivers on how to help toddlers be sweet with their feet.

Cabin Fever Jan 14 2020 'Gripping... The authors skillfully capture the fear and claustrophobia. A riveting real-life drama.' Kirkus 'Cabin Fever is riveting, taut, and extensively researched. Smith and Franklin have written a page-turning adventure that will keep you reading late into the night.' Martin Dugard, #1 New York Times bestselling author of *Taking Paris* 'A gripping account of how an invisible stowaway - the Covid-19 virus - transformed a fun-filled luxury cruise into an unimaginable nightmare.' Sara Gay Forden, bestselling author of *House of Gucci* 'Extensive first-hand testimony and the authors' brisk, matter-of-fact style enrich this propulsive account of how a holiday cruise turned into a nightmare. Readers will be riveted.' - Publishers Weekly In early 2020, the world was on edge. An ominous virus was spreading and no one knew what the coming weeks would bring. Far from the hotspots, the cruise ship *Zaandam* was preparing to sail from Buenos Aires loaded with 1,200 passengers - British, American, Australian, European and South American tourists, plus 600 crew. Most passengers were over the age of 65. There was concern about the virus in the news but that was oceans away. Escaping to sea at the ends of the earth for a few weeks seemed like it might be a good option. The cruise line had said the voyage would go ahead as scheduled and it would be safe. Within days, people aboard the *Zaandam* began to fall sick. The world's ports shut down. *Zaandam* became a top story on the news and was denied safe harbour everywhere. With only two doctors aboard and few medical supplies to test for or treat Covid-19, and with dwindling food and water, the ship wandered the oceans on an unthinkable journey. *Cabin Fever* is a riveting narrative thriller, taking readers behind the scenes of the ship's complex workings, and below decks into the personal lives of passengers and crew who were caught unprepared for the deadly ordeal that lay ahead. It is a story layered with moments of peril, perseverance and kindness. A remarkable tale that is filled with individual acts of heroism and the struggles and the tragedies of the crew and passengers.

One by One Mar 16 2020 As seen on *The Today Show* A page-turning memoir from a former opioid addict in an opioid addicted community—and an up-close look at America's new health crisis. Behind closed doors, millions of people abuse opioids. Nicholas Bush was one of them. In this beautifully raw

and refreshingly honest memoir, Nicholas Bush boldly allows readers into his addiction-ravaged community. We see how heroin nearly claimed his life on multiple occasions, how it stole the lives of his young siblings and friends, and how it continues to wage a deadly toll on American neighborhoods—claiming thousands of lives and decreasing the average lifespan. But we also see that there is a way off of the devastating rollercoaster of opioid addiction, even for the most afflicted. Nicholas fights for recovery, claws his way out of a criminal livelihood, and finds his footing with faith and family, providing Americans with the inspirational story that is deeply needed today.
