"The Spanish Beginners Stage 6 course is a two-year course, which has been designed for students who wish to begin their study of Spanish at senior secondary level. It is intended to cater only for students with no prior knowledge or experience of the Spanish language, either spoken or written, or whose experience is derived solely from, or is equivalent to, its study for 100 hours or less in Stage 4 or Stage 5"--P. 6. English Unlimited for Spanish Speakers is a six-level goals-based course for Spanish-speaking adult learners. Centred on real-life objectives, it prepares learners to use English independently and confidently for global communication. The Self-study Pack (Workbook with DVD-ROM and Audio CD) enables learners to consolidate and build upon work done in class including extra 'Explore Writing' tasks and a complete 'Explore Reading' syllabus. 'Over to you' exercises personalise the practice. 'Get it right!' pages

give Spanish-speaking learners practice of the language explored in the Coursebook Tips. A self-study Audio CD features Spanish speakers using the language in context as well as pronunciation models. The DVD-ROM features a range of practice activities, video interviews with international speakers, a self-recording and playback tool, animated clips offering speaking practice in everyday situations, and customisable 'QuickCheck' tests. An update of the well-loved course for young learners - now official preparation for the revised 2018 Cambridge English: Young Learners tests. The Pupil's Book presents and practises new language through stories, songs and activities, making the learning process a joy. The exams in levels 2, 4 and 6 have been updated to reflect the 2018 revised Young Learners exams. New vocabulary included in the syllabus of the exam has also been added. You will also find CLIL, Values and festival lessons; a strong focus on pronunciation, phonics and grammar; and review sections. Developed directly with the IB to be fully integrated with the revised MYP Language Acquisition framework, for first teaching in 2020. This comprehensive, inquiry-based resource equips learners to acquire and practice essential language skills while developing wider conceptual and contextual awareness. An inquiry-led, concept-based approach applies key and related concepts to relevant learning material, helping you fully deliver the MYP approach and build meaningful conceptual connections. Fully comprehensive, the resource addresses all the topics suggested in the MYP Language Acquisition Framework to help learners progress into the Diploma Programme. A Spanish Learning Grammar, Third Edition, is an innovative reference grammar and workbook suitable for you, whether you are studying Spanish at intermediate or advanced level. Its straightforward explanations of grammar are supported by examples with contemporary vocabulary, humorous cartoon drawings, and plentiful, varied exercises, helping you to grasp often complex points of grammar in an enjoyable way. Its carefully devised two-part structure mirrors the learning process, allowing you to focus on core knowledge first and enabling you to progress confidently to more advanced knowledge at your own pace. Key features for this third edition include: New drawings which illustrate grammar through real-life scenarios New vocabulary bringing you up-to-date with Spanish in the digital age Re-ordering of the section on verbs, making the tenses easier for you to find Online interactive exercises with audio answers, providing you with invaluable listening and pronunciation practice. To aid your understanding, this third edition also contains a glossary of grammatical terms, useful verb tables and a key to the exercises. Written in the belief that grammar is the key to real communication, this is an essential textbook for any student of Spanish. The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: an explanation of the key aspects of the CEFR for teaching and learning; a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on

listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: promote and support the learning and teaching of modern languages; enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; protect linguistic and cultural diversity in Europe; and promote the right to quality education for all. A flexible suite of resources providing full coverage of the Cambridge IGCSE® Spanish as a Foreign Language syllabus (0530) for first examination in 2015. This resource helps teachers support students through the Cambridge IGCSE® Spanish as a Foreign Language course. Tips and suggestions for lesson planning and classroom activities, advice on differentiation, and clear explanations of the pedagogy aims of the coursebook help teachers make the most out of this suite of resources.

Deep learning is often viewed as the exclusive domain of math PhDs and big tech companies. But as this hands-on guide demonstrates, programmers comfortable with Python can achieve impressive results in deep learning with little math background, small amounts of data, and minimal code. How? With fastai, the first library to provide a consistent interface to the most frequently used deep learning applications. Authors Jeremy Howard and Sylvain Gugger, the creators of fastai, show you how to train a model on a wide range of tasks using fastai and PyTorch. You'll also dive progressively further into deep learning theory to gain a complete understanding of the algorithms behind the scenes. Train models in computer vision, natural language processing, tabular data, and collaborative filtering Learn the latest deep learning techniques that matter most in practice Improve accuracy, speed, and reliability by understanding how deep learning models work Discover how to turn your models into web applications Implement deep learning algorithms from scratch Consider the ethical implications of your work Gain insight from the foreword by PyTorch cofounder, Soumith Chintala

The changing landscape of Spanish language education -- History and evolution of post-secondary Spanish language education in the United States -- Spanish heritage language learners : finding their place -- Incorporating meaningful service learning into Spanish L2 curricula -- Curricular and programmatic considerations in Spanish for specific purposes -- Issues in Spanish curricular assessment : placement, outcomes and articulation -- Connecting Spanish language education with social, economic, and political realities -- Training future Spanish teachers -- Technological advances in Spanish language education -- Charting a course forward -- Appendix A. Building Communities and Making Connections explores areas of academic and community engagement, through various studies that include community service learning, and the development and implementation of university programs that contain a community dimension. Academic endeavors have long been seen as separate from the realities of

local and regional communities. This book closes the gap by looking at ways in which both academia and the communities it serves can collaborate to create authentic and applied learning environments. EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a “student-tested, faculty-approved” review process with thousands of students and hundreds of faculty, this text is an engaging and accessible solution. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. A flexible suite of resources providing full coverage of the Cambridge IGCSE® Spanish as a First Language syllabus (0502) for first examination in 2015. With a skills-based approach and an international focus, this coursebook promotes a deeper understanding of the Spanish language and culture. Engaging texts and activities, built around the learning objectives, develop critical thinking and support students through the Cambridge IGCSE® Spanish as a First Language course. Kid's Box is a brand new, six-level course for young learners, brimming with stimulating sections designed for Spanish speakers. Bursting with bright ideas to inspire both teachers and students, Kid's Box gives children a confident start to learning English. It also fully covers the syllabus for the Cambridge Young Learners English (YLE) tests. This Activity Book covers all of the target language from Pupil's Book 2, providing further practice in a fun context. The Spanish edition of the Activity Book provides extra practice of the Spanish specific content in the Pupil's Book. The CD-ROM is packed with games to promote learning through fun activities. The Portfolio allows students to monitor their own progress. Packed full of interactive activities, this print and digital Course Book pack has been developed directly with the IB to fully reflect all aspects of the new language acquisition syllabus, for first teaching in September 2018. Our bestselling AQA A Level Spanish course has been updated for 2016. It offers brand new content, equipping students with the grammar and structures required to manipulate language confidently for the exam. The blend facilitates co-teaching and includes AS and A Level Student Books and online resources delivered via Kerboodle. This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2021. Strengthen language skills and cultural awareness with a differentiated approach that offers comprehensive coverage of the revised Cambridge IGCSE(tm) Spanish (0530/7160) syllabuses for first examination from 2021. - Develop the cultural awareness at the heart of the syllabus with engaging stimulus material and questions from around the world which will encourage a positive attitude towards other cultures - Progress the ability to use the language effectively with activities developing all four key skills, supported by teacher notes and answers in the teacher guide - Stretch and challenge students to achieve their best, whilst supporting all abilities with differentiated content throughout - Ensure the progression required for further study at A-level or equivalent - Help to prepare for the examination with exam-style questions throughout Also available in the series Grammar Workbook ISBN: 9781510448070

Vocabulary Workbook ISBN: 9781510448094 Study and Revision Guide ISBN: 9781510448100 Student eTextbook ISBN: 9781510448711 Whiteboard eTextbook ISBN: 9781510448506 Online Teacher Guide ISBN: 9781510448568 Teaching and Learning Resources ISBN: 9781510448520 Spanish is now the third most widely spoken language in the world after English and Chinese. This book traces how and why Spanish has arrived at this position, examining its role in the diverse societies where it is spoken from Europe to the Americas. Providing a comprehensive survey of language issues in the Spanish-speaking world, the book outlines the historical roots of the emergence of Spanish or Castilian as the dominant language, analyzes the situation of minority language groups, and traces the role of Spanish and its colonial heritage in Latin America. The book is structured in four sections: * Spanish as a national language: conflict and hegemony * Legislation and the realities of linguistic diversity * Language and education * The future of Spanish. Throughout the book Clare Mar-Moliner asks probing questions such as: How does language relate to power? What is its link with identity? What is the role of language in nation-building? Who decides how language is taught? (abridged and revised) This reference grammar offers intermediate and advanced students a reasonably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries, and it is set fair to overtake English by the year 2000 in numbers of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the Nuevas normas de prosodia y ortografia, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux. Offers definitions of more than 90,000 English and Spanish words and phrases, along with information on grammar, Spanish- and English-speaking countries, and sample letters and other communications. A flexible suite of resources providing full coverage of the Cambridge IGCSE® Mandarin as a Foreign Language syllabus (0547) for first examination in 2015. This resource helps teachers support students through the Cambridge IGCSE® Mandarin as a Foreign Language course. Tips and suggestions for lesson planning and classroom activities, advice on differentiation, and clear explanations of the pedagogy aims of the coursebook help teachers make the most out of this suite of resources. The Spanish course book and Study Guide have been written specifically for the Languages B programme which will be taught from September 2011 with first assessment from May 2013. These two components are suitable for both Higher and Standard level students. These two components provide plenty of guidance and information about topics that students need to deal with the themes, text types and assessment required for the new Languages B Diploma programme. The course book covers all the core and optional topics and has a separate unit on literature. Students are given a wide variety of text types and assessment-style questions and are encouraged to think and reflect in an IB-inspired way. Further links are made throughout to Theory of Knowledge and Creativity, Action, Service.

The most comprehensive and written specifically for the most recent Language B syllabus, including all the options

Authentic and current Spanish texts resonate with learners and drive discussion, strengthening critical thought

The Art of Teaching Spanish explores in-depth the findings of research in second language acquisition (SLA) and other language-related fields and translates those findings into practical pedagogical tools for current—and future—Spanish-language instructors. This volume addresses how theoretical frameworks affect the application of research findings to the teaching of Spanish, how logistical factors affect the way research findings can be applied to teach Spanish, and how findings from Spanish SLA research would be applicable to Spanish second language teaching and represented in Spanish curricula through objectives and goals (as evidenced in pedagogical materials such as textbooks and computer-assisted language learning software). Top SLA researchers

and applied linguists lend their expertise on matters such as foreign language across curriculum programs, testing, online learning, the incorporation of linguistic variation into the classroom, heritage language learners, the teaching of translation, the effects of study abroad and classroom contexts on learning, and other pedagogical issues. Other common themes of *The Art of Teaching Spanish* include the rejection of the concept of a monolithic language competence, the importance of language as social practice and cultural competence, the psycholinguistic component of SLA, and the need for more cross-fertilization from related fields. An update of the well-loved course for young learners - now official preparation for the revised 2018 Cambridge English: Young Learners tests. The full-colour Teacher's Book provides teaching notes for each lesson, which include audioscripts for all listening activities as well as full answer keys. Facsimile pages of the Pupil's Book and Activity Book are also included. There is also an overview of the syllabus for each level, extra activities, photocopiable pages and useful classroom language. The updated Second edition includes shields with letters corresponding to the first letter of Starters, Movers and Flyers to signpost exam content in the Teacher's Book. An update of the well-loved course for young learners - now official preparation for the revised 2018 Cambridge English: Young Learners tests. The full-colour Teacher's Book provides teaching notes for each lesson, which include audioscripts for all listening activities as well as full answer keys. Facsimile pages of the Pupil's Book and Activity Book are also included. There is also an overview of the syllabus for each level, extra activities, photocopiable pages and useful classroom language. The updated Second edition includes shields with letters corresponding to the first letter of Starters, Movers and Flyers to signpost exam content in the Teacher's Book. Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a *Listo* page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages

students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021. Distills key concepts from linear algebra, geometry, matrices, calculus, optimization, probability and statistics that are used in machine learning. A new edition of this popular course for young learners - preparing students better than ever for success at Starters, Movers and Flyers. Bursting with bright ideas to inspire both teachers and students, Kid's Box gives children a confident start to learning English. The Teacher's Book provides teaching notes for each lesson, tapescripts for all listening activities and full answer keys. In addition, there is an overview of the syllabus for each level, extra activities, photocopiable pages and useful classroom language. The answer key to the 'My Home Booklet' is also included in the Teacher's Book.
