Join Bartholomew Cubbins in Dr. Seuss's Caldecott Honor-winning picture book about a king's magical mishap! Bored with rain, sunshine, fog, and snow, King Derwin of Didd summons his royal magicians to create something new and exciting to fall from the sky. What he gets is a storm of sticky green goo called Oobleck—which soon wreaks havoc all over his kingdom! But with the assistance of the wise page boy Bartholomew, the king (along with young readers) learns that the simplest words can sometimes solve the stickiest problems. Step-by-step instructions with full-color illustrations introduce Independence Day crafts, including July 4th wavers, glitter stars, and flag fans. Sensory motor activities are crucial for children to learn from their environment. Bridging the gap between theory and practice, this revised edition is a complete package of tried-and-tested sensory motor activities for children, covering basic movements, interoception, sensory and body awareness and early visual perceptual skills. Providing an overview of the sensory systems, the authors offer practical strategies for parents/carers and practitioners to link knowledge to practice when communicating and engaging with a child. The authors present both familiar and novel activity ideas, explaining how they provide sensory stimulation to the relevant sensory systems and may help to support the child's development, sensory processing and regulation levels. New material includes: greater emphasis on understanding the sensory systems and how they link to the activities a brand new chapter on interoception revised recording methods, including Goal Attainment Scaling as an outcome tool an expanded list of activities. *Sensory Motor Activities for Early Development*, 2nd edition is an essential text for all parents/carers and practitioners who use sensory motor activities in a playful way to help the development of children with a range of needs. It will be valuable reading for those working with children who do not initiate

movement, who require help with their movement, who need to refine their movement, who need encouragement or motivation to engage in purposeful movements, or those who need activities to provide sensory stimulation. A real camping trip to California and back, by auto. Kids can make their own fun with Cool Doughs, Putties, Slimes & Goops! This title has everything needed to create one-of-a-kind toys. As many as one in 20 children struggles with sensory issues. To address these needs in the classroom, sensory integration has become a staple in early education. This book is sure to be every teacher's bible of sensory activities. In this book, we'll talk about how to make your own slime, clay, silly putty, and plenty of other classic kids' favorites using all-natural, environmentally safe ingredients to make sure that you and your kids' health is covered. You'll learn plenty of tips and tricks on what to do and what NOT to do based on my own quirky experiences, as well as get some recommended activities that you and your children can do together without breaking the bank-because who says fun has to be expensive, right? A different kind of parenting book that helps parents improve themselves first, so they can then be better parents to their kids. It's time for a fresh approach to parenting! Too many parenting books are heavy on the clinical advice, but way too light on practical strategies and everyday inspiration. Isn't it time for a parenting book that is both practical and inspirational? Destini Ann Davis is a working mom who has read dozens of parenting books and made all the typical parenting mistakes before realizing that in order to have a peaceful, positive relationship with her kids, she first needed to have a peaceful, positive relationship with herself. Not Your Parents' Parenting Book features a fresh, down-to-earth approach from someone you can relate to. Destini Ann offers up real life strategies for tackling many of today's most challenging parenting scenarios using positive discipline techniques, with examples from her own experience with raising two girls. She'll encourage you; she'll coach you; and she'll help you become your best self and a better parent. If you're a parent looking for a different kind of parenting book, you've come to the right place. Here's what you'll find inside: - A fresh, energetic take on parenting in today's world. - Practical tips for creating open and constructive dialogue with your kids. - Refreshing insight on fixing yourself first and healing your own wounds, so you can then avoid bringing that baggage into your child's world. - Relatable advice for dealing with negative influences, whether it be from family, friends, school, or community. Step-by-step instructions with full-color illustrations introduce birthday crafts, including party noisemakers, pasta-box frames, and pencil holders. Kids should have a ball creating such wonders as an edible ocean or a greenhouse grown in a plastic bag. Among the 78 recipes are instructions for making such revolutionary new artistic mediums as whipped cream finger paint, dryer lint clay, and toothpaste putty. Quite a few of the concoctions are edible while others make great party activities or simple gifts. Illustrations. Complete a variety of fun craft projects using clay beads. Crafters practice reading comprehension as they follow the steps for each project.

The easiest crafts are at the beginning, to allow the reader to practice scaffolding their knowledge as they learn the domain-specific vocabulary. Bring out your child's creativity and imagination with more than 60 artful activities in this completely revised and updated edition. Art making is a wonderful way for young children to tap into their imagination, deepen their creativity, and explore new materials, all while strengthening their fine motor skills and developing self-confidence. The Artful Parent has all the tools and information you need to encourage creative activities for ages one to eight. From setting up a studio space in your home to finding the best art materials for children, this book gives you all the information you need to get started. You'll learn how to:

- * Pick the best materials for your child's age and learn to make your very own
- * Prepare art activities to ease children through transitions, engage the most energetic of kids, entertain small groups, and more
- * Encourage artful living through everyday activities
- * Foster a love of creativity in your family

Wendie Ayche is the happy, go-lucky, upbeat YouTube personality, "Wengie." With her hilarious and creative YouTube videos that cover everything from advice, to makeup tips, to how to make slime, Ayche's fan base of more than 13 million subscribers continues to increase. This insightful biography presents a candid look into the world of this cheerful YouTube personality. Readers learn essential details about Ayche's childhood move from China to Australia, what led her to start her own YouTube channel, and the endearing videos she posts online. Practical and easy to use, this resource is for practitioners working in early years settings to help children aged 0-2 to develop secure and positive attachments with their parent or carer. Designed to be flexible for one-to-one or group work, the resource features fun and engaging activities involving singing, movement and sensory activities in a structured but playful environment. It explains the significance of positive attachments in a child's early years, and equips practitioners with skills and techniques to help encourage bonding. It will be of particular interest to those working with parents needing additional support such as vulnerable and adoptive or foster families. The resource is accompanied by online materials - songs to sing along with, and film clips of signing to help parents and carers improve communication. This programme will help parents to become more attuned to the needs of their child, and aid the child's emotional, social and cognitive development. With additional guidance on how to run the programme as a group, this resource will be easy to use for any health, education or childcare practitioner in specialist and mainstream settings.

Trauma Informed Teaching through Play Art Narrative (PAN) provides ideas, insight, and activities to guide teachers in helping children and youth work through trauma in a creative reparative process. More than 1200 smart, effective and practical resources for home education on the Internet and beyond. You've made it! Your baby has turned one! Now the real fun begins. From temper tantrums to toilet training, raising a toddler brings its own set of challenges and questions — and Toddler 411 has the answers. Following on the heels of the best-seller Baby 411, Toddler 411 bottles the wisdom of parents who've "been there, done that" . . . and combines it with solid medical advice from an award-winning pediatrician. Inside, you'll learn:

- The truth about The Terrible Twos—and how to raise a well-behaved child without going insane.
- Picky Eaters—learn how to cope . . . and convince your child to eat something besides Goldfish crackers.
- Toilet train your toddler in just one day. No, that's not a typo—learn the Zen of Toilet Training, when to start and how to make it work.
- What's normal—and what's not when it comes to your toddler's

growth and development. Spot the early clues for autism and other red flags. • Simple steps and smart advice to avoid environmental hazards. The most up-to-date, evidence-based health info for you and your toddler! This new 5th edition is revised and expanded with new content: 1. Cow's milk and dairy alternatives Safety, health and nutritional needs. 2. Picky Eater Primer More tricks and tips for dealing with picky eaters! 3. Food allergies on the rise. A special section on food allergies and gluten sensitivities. 4. Preschools: When to go, why to go! Within these tantalizing pages lie the keys to the mysteries of science. For here, in strange and delectable detail, are dozens of hitherto secret experiments for concocting slimes and putties, inventing miniature robots and transport devices, growing crystal gardens, and many other useful creations—all crafted from widely available household products. Where did these wondrous projects originate? Apparently in a shadowy toy research laboratory that once operated out of a tiny island in the South Pacific. The Zooper Laboratory has since vanished, but we recovered its crown jewel—a secret notebook: a source of astounding information, fabulously illustrated. Let's just be thankful the pages are wipe-clean. Cool doughs, putties, slimes and goops. Fun and easy recipes for snacks that kids and can make and have fun eating. Provides ideas for simple gifts and activities to celebrate Mother's Day. Kids can make their own fun with Cool Board Games! This title has everything needed to create one-of-a-kind board games. Readers will create Mini Magnetic Battleship, The Game of Your Life, Giant Outdoor Checkers and more! Step-by-step photos, materials lists, and extra tips and tricks get kids started. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO. Kids can make their own fun with Cool Action Figures & Dolls! This title has everything needed to create one-of-a-kind toys. Readers will create a Barbie Adventure Case, Twig Things, Found-Object Action Figures, Springy Sprites and more! Step-by-step photos, materials lists, and extra tips and tricks get kids started. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO. 500 Easy, Creative and Fun Activities That You and Your Family Will Love Never again will you hear the all-too-common call of, "I'm bored!"
